Reminder: PCFC Parent Handbook states: "If a Holiday falls on a weekend, it will be celebrated before or after, either Friday or Monday, whichever day is closer to the Holiday."

The First Presbyterian Church, which houses the Presbyterian Center for Children, has made arrangements with Nighthawk Professional Pest Management to provide pest management. Nighthawk is scheduled to inspect the premises quarterly unless contacted by the Church. Nighthawk inspects the premises for ants, spiders and mice. The premises are inspected and treated after 6:00 pm. This allows for compliance with R 400.5940 sub-rule 9d which states that "Liquid spray or aerosol insecticide applications may not be performed in a room of a child care center unless the room will be unoccupied by the children for not less than 4 hours or longer if required by the pesticide label use directions."
